Do Not Feed Cats at KRU and Stations

Dear Colleagues

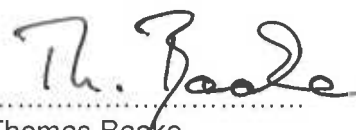

We wish to bring to your attention that lately we have been received a report from a passenger of cats loitering at STS. Upon receipt of the report, we have taken action to secure the cats.

This is a serious matter as it affects the image of our services and we would like to call upon all staff not to feed any cats to stop them from loitering at our premises and stations.

Thanking you for your kind cooperation in this matter.
