**Thank you! Grade “A” for Workplace Safety and Health.**

Dear Team,

On 27<sup>th</sup> June 2023, ERL Maintenance Support Sdn. Bhd, underwent a workplace Safety and Health inspection by officials from the Department of Safety and Health (DOSH). The results of the inspection have exceeded our expectations, as we have been awarded a Grade “A” rating.

Receiving Grade “A” rating from DOSH is a considerable achievement, as it places us among the best in the industry in terms of workplace safety and health standards. This achievement proves that we are a responsible organization that prioritize our workforce Safety and Health above all. This is a testament of our operational efficiency to our stakeholders and customers.

I would like to express my heartfelt appreciation to each and every one of you. This recognition would not have been possible without the commitment of all E-MAS staff. Together we have reached this milestone.

While this recognition is a cause for celebration, it also serves as a reminder that our work doesn't end here. We must continue to maintain the highest safety and health standards, keeping them at the core of everything we do.

Once again, congratulations to each one of you for this remarkable achievement. Let's take pride in our achievement and use it as motivation to strive for even higher levels of excellence in all aspects of our work.

Thank You.

Sincerely,

**Thomas Baake**

Chief Executive Officer
